

FAMILY MADE SINCE 1851

Cederbos is owned by the Van der Westhuizen family who grows Rooibos on their 5th generation family farms. The tea used for Cederbos is grown in their fields at the foot of the majestic Cederberg Mountains, where the cooler southern slopes produce uniquely flavourful and deeply coloured Rooibos tea.

INGREDIENTS: ROOIBOS (ASPALATHUS LINEARIS) AND NATURAL FLAVOURING

UNIQUELY SOUTH AFRICAN

Indigenous to the beautiful Cederberg region of the Western Cape in South Africa, where the unique climate of the Cederberg Mountains provides the perfect conditions for Rooibos to thrive.

During the natural fermentation process, bees are attracted to tea leaves that are rich in colour and aroma. At Cederbos, it is these leaves that we select to bring you a delightful cup of Rooibos.
